Place: Pikku-Syöte in Pudasjärvi, Finland.

Type of event: Training and Cooperation Activity TCA

Working language: English

Number of Spanish participants (ADU): 2

Profile of participants:

- All educational actors in adult education.
- To have the motivation to put into question our daily educational practices and to take concrete actions back home to amplify the future educational impacts.
- Participants should be at least 18 years old and should have a good level of English

Themes and goals of the event:

The aim of this training is to promote complementarity between actors of formal and non-formal educational sectors towards a more inclusive society, and to improve the impact of educational processes by using non-formal education principles and approaches, as well as to create empowerment opportunities for people involved in adult education.

Expected results:

- To promote education as an effective tool for empowerment.
- To promote cross-sectorial cooperation in education by bridging different approaches and methods between formal and non-formal education actors
- To identify what we have in common between formal and non-formal education
- To make participants feel and reflect about the power of different educational activities used during the TCA
- To fight against passivity of learners by growing curiosity and motivation to learn in any educational settings
- To reconsider our daily educational practices
