

SPANISH NATIONAL CV SURVEY 2017

In 2017, the Spanish NEC conducted an online survey among the Spanish Europass users in order to have a better knowledge of the profile, opinion and needs of the users of the Europass Curriculum Vitae.

The results of the **survey** are as follows:

KNOWLEDGE OF EUROPASS

98% of the Spanish users that have some prior knowledge of the Europass portfolio know the CV and **93%** have used it.

However, out of that 98%, **45%** state that **the CV is the only document** they know.

86% of the Spanish users **prefer the Europass CV** to other formats previously used.

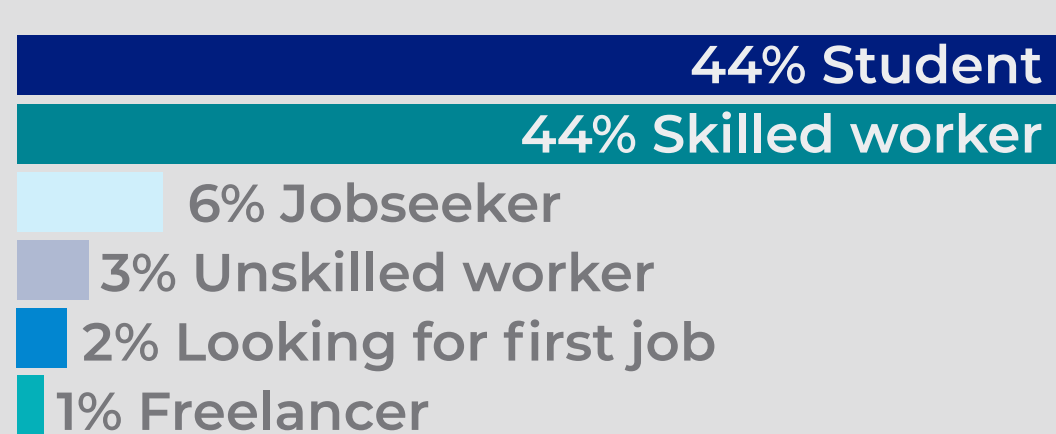

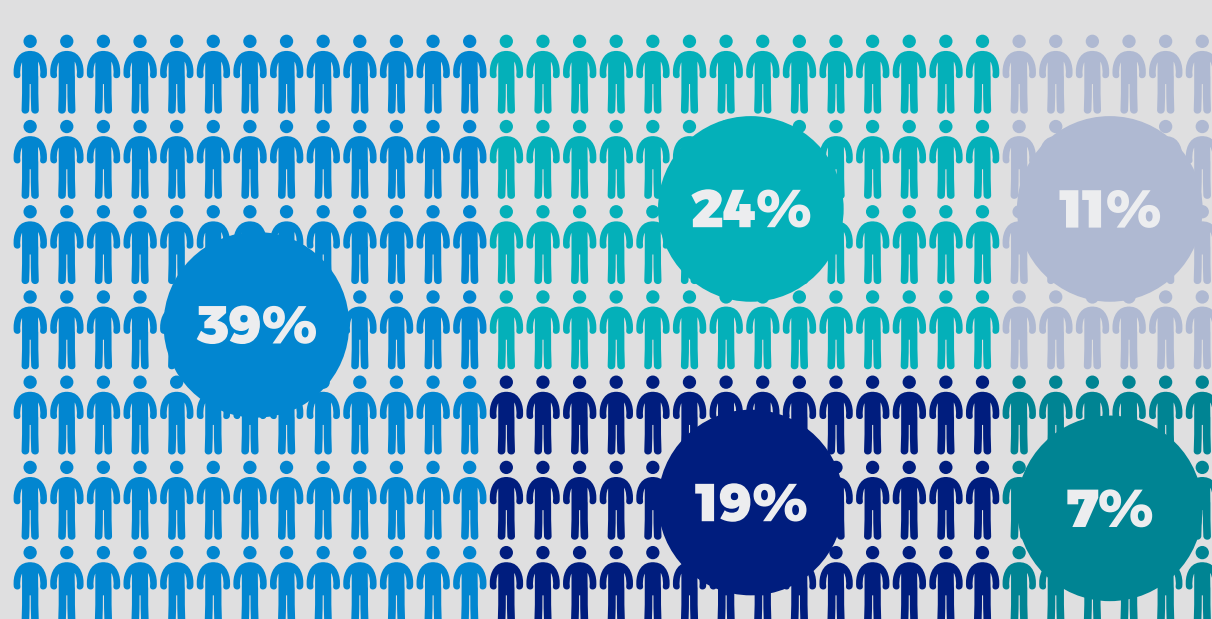

77% of the Spanish Europass CV holders have **used the online editor** to create it, while **23%** have **used the downloaded template**.

91% of users think the online editor has a **medium to low degree of difficulty** of use.

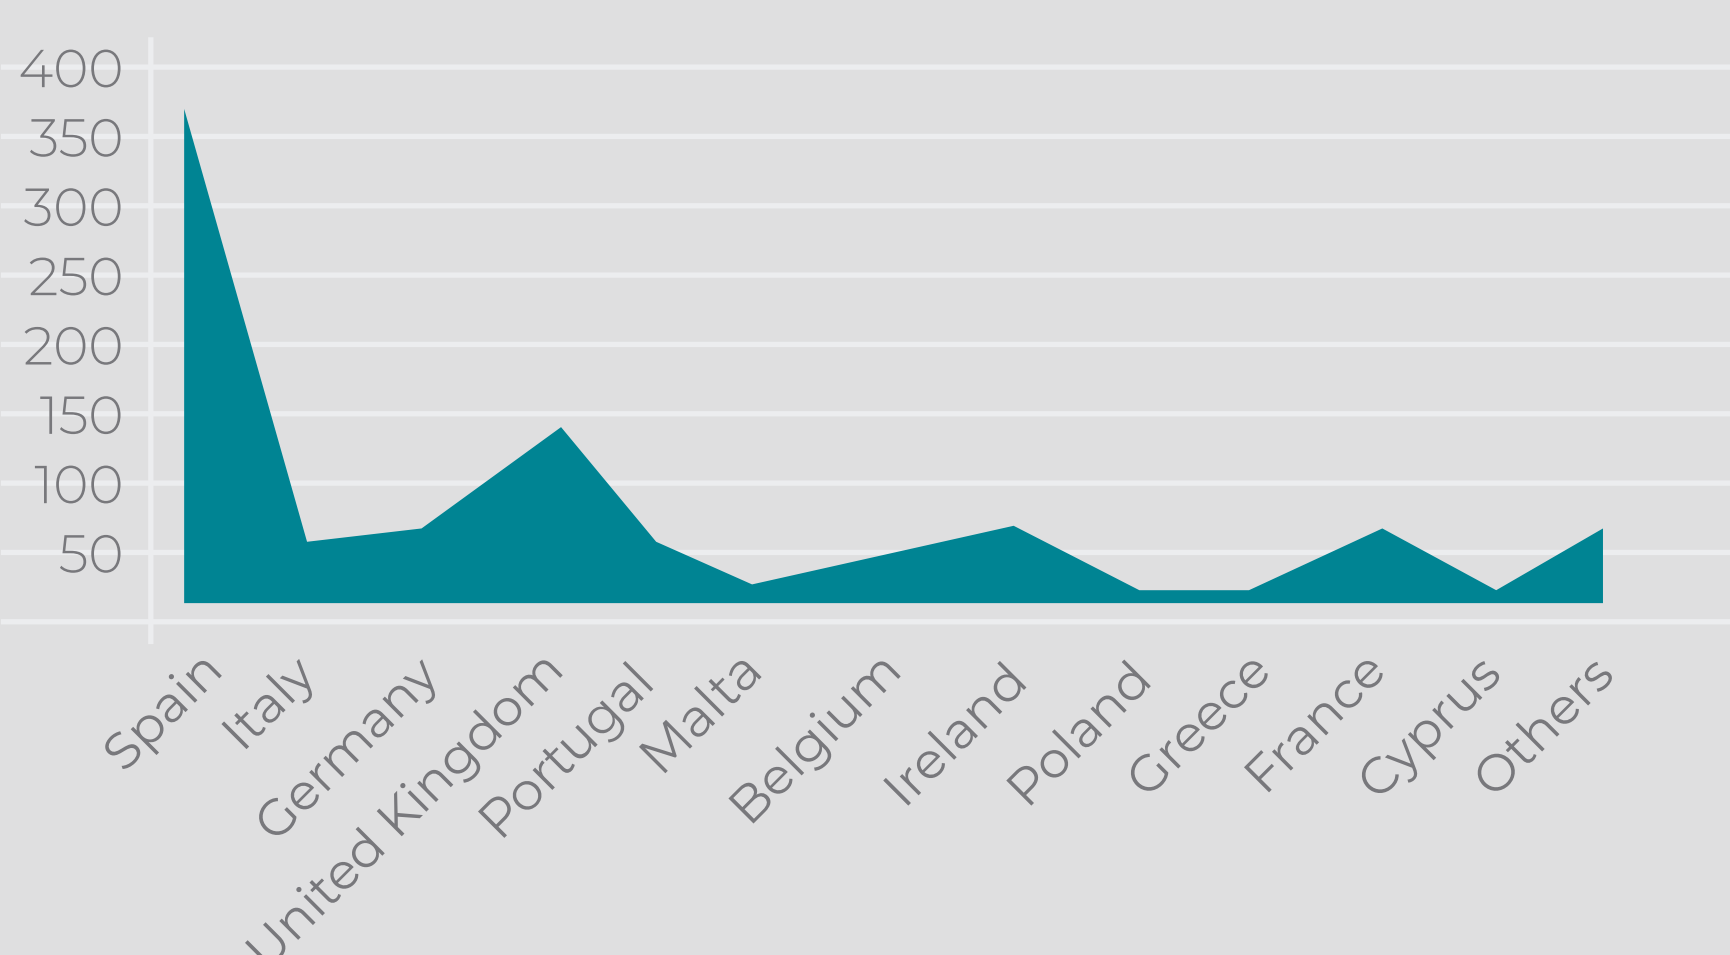

SPANISH USER'S PROFILE:

63% of users are below 20 or over 35 years old.

88% of users are students or skilled workers.

THE **SPANISH** USER MAKES USE OF **EUROPASS** IN:

FOR DIFFERENT PURPOSES:
