

THE PROJECTS CARRIED OUT WITHIN THE LIFELONG LEARNING PROGRAMME - LEONARDO DA VINCI

Lifelong
Learning
Programme

- ◎ ***2012 - The tastes of Spain, the taste of success - 92 000 Euros***
- ◎ ***2013 - Spanish tastes, Polish hospitality - 102 000 Euros***

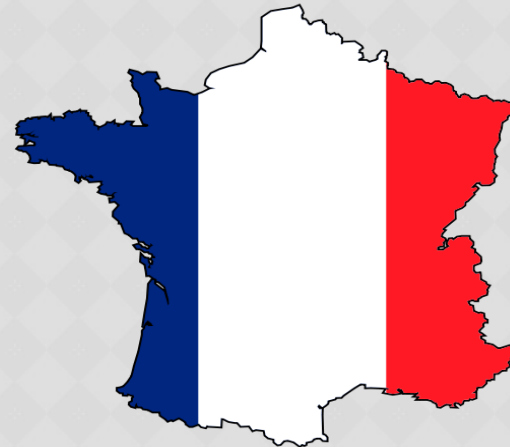

Both projects were carried out in cooperation with the Spanish partner institution
Europroyectos LdV

2013 - the school
was a partner
institution in the
project *Cookery
France - the
beginning of
professional career*

Lifelong
Learning
Programme

The aims and results:

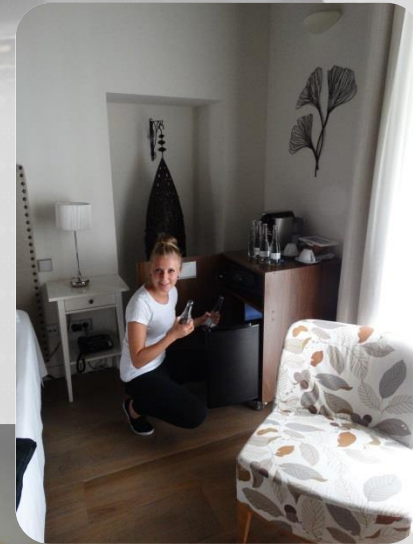

- ◉ acquiring qualifications and professional experience abroad;
- ◉ becoming acquainted with work culture and practices applied in European companies;
- ◉ learning foreign languages with the focus on specialist vocabulary;
- ◉ increasing flexibility and mobility;
- ◉ promoting tolerance and openness to other cultures;
- ◉ boosting motivation for further education
- ◉ increasing self-confidence;
- ◉ enhancing job market opportunities.

Lifelong
Learning
Programme

- There were 34 students in each project to Spain.
- There were 18 students in the project to France.
- In the projects participated the students training in all professions:
 - Hotel technicians,
 - Technicians of nutrition and catering services
 - Cooks
 - Waiters

An aerial photograph of a city, likely Toledo, Spain, featuring a prominent fortress (Alcázar) on a hill. The city is spread out below the hill, with mountains visible in the background. The image is slightly faded to allow the text to be read clearly.

THANK YOU FOR
YOUR ATTENTION

**Presentation prepared by Anna Pawelec
Coordinator of the projects in Spain**
